

## minutes of 09/15/20 CHC board meeting

There are 448 CHC members as of September 15, 2020.

Due to the COVID-19 pandemic, there will be no new board election at year-end. The current board member will automatically serve another year.

The Paper version CHC directory will be distributed in March of 2021. However, since the new member continues signing up, the updated CHC directory (labeled as CHC directory xx-xx-2020 to differentiate) will be sent every two months via the chc2020paid network.

As of 09/15/2020, we have \$2499.08 in our checking account and \$1360.00 in our deposit account, total balance \$3859.08. The moon cake gift for CHC members used \$1389.24 from our reserved fund. A detailed balance sheet is available upon request.

CHC board passed unanimously to use our fund to pay for CHC members' 2021 membership fee. The total membership fee, \$2240, will be paid on October 15, 2020.

The flaw of [chc.scaclub.org](http://chc.scaclub.org) network will be investigated and resolved so that all staff members can log in, and all CHC members can receive the email.
